ABOUT SAINT JOSEPH'S COLLEGE

Saint Joseph's College is a private, four-year, liberal arts school, founded in 1889 by the Missionaries of the Precious Blood. The College offers the best of both worlds, providing a small-town atmosphere with easy access to larger, metropolitan areas. Located in Rensselaer in Northwest Indiana, SJC is just a short drive away from Chicago, South Bend, Lafayette, and Indianapolis.

The College is proud of its redbrick architecture, beautiful Lake Banet, tree-lined drives, and tranquil reflection pond. In the process of bringing a 10-year Master Plan to life, SJC is experiencing numerous renovations. Brand new apartment complexes, a track and field complex, and an indoor fitness center are some of the more recent additions to the campus.

A population of over 1,000 students, Pumas form close relationships with both their classmates and their professors. SJC has earned national recognition for its Core Program and offers 74 major, minor, and pre-professional programs from which to choose. There is a 15 to 1 student-faculty ratio, enabling students to receive hands-on training from highly qualified professors. The College remains proud of both its athletic and academic traditions and maintains its commitment to sportsmanship, ethical conduct, rules compliance, and amateurism.

Dr. Ernest R. Mills III

Ernest R. Mills, J.D., was named the 16th President in the history of Saint Joseph's College in the summer of 2002.

He came to SJC from Mount Saint Mary College in Newburgh, New York, where he was the Vice President of Development for 18 years. He also served as Dean of Students at Mount Saint Mary's and at Wheeling College in West Virginia.

Dr. Mills has a master's degree in Philosophy and a doctorate in Law. He has taught both subjects in the college setting.

The Saint Joseph's College Main Entrance

A History of SJC

In 1867, the Catholic Diocese of Fort Wayne purchased a farm south of Rensselaer on which there were two frame dwellings. They were converted into an orphanage that existed until 1887.

One year later, the Most Reverend Joseph Dwenger, Bishop of Fort Wayne, offered the vacant orphan home with part of the farm to Father Henry Dress, the Provincial for the Society of the Precious Blood (now known as the Missionaries of the Precious Blood), with the stipulation that a college be founded there. In 1889, Saint Joseph's College was incorporated under the laws of the state of Indiana with their right to grant scholastic degrees. The College opened its doors on August 23, 1891.

In the following three decades, Saint Joseph's College grew from a school of a few buildings to a contemporary college. The expansion was carefully designed to utilize the 180-acre campus to serve the educational needs of Saint Joseph's College's students.

In 1968, the College ended its 79-year policy of admitting only male students. The change to a co-educational institution was made to widen the range of students contributing to the College's intellectual atmosphere and to create an air of better special programs and courses for female students, who have responded by enrolling in all academic areas of the College.

The introduction of the Core Program in the fall of 1969 shifted the direction for general education courses from a series of separated courses to an interdisciplinary approach. This combined the previous courses into a program examining issues of history, philosophy, theology, literature, and other subjects within the framework. The interrelated nature of all subjects' material in the Core Program allows the student to have an overview which permits deeper understanding and clearer insights.

2006 SEASON PREVIEW

Lou Esposito's first season as head football coach at SJC got off to a rocky start, as the Pumas began the 2005 season with a record of 0-3.

The ship soon righted itself, however, as SJC won seven of its last eight games to finish 7-4, giving the program back-to-back winning seasons for the first time since 1987.

As Esposito readies the Pumas for another season, he has already seen that momentum carry over into his team's offseason preparations, and feels it is poised to maintain, if not surpass, the successes of recent history.

"We had more players stay and work out this summer than we've had since I've been here," Esposito pointed out. "The guys that stayed all look to be in great shape. Last season, you could definitely tell, just by watching us play, who stayed and worked out over the summer. That should be evident this year, as well.

"One good thing was it wasn't just the starters that stayed. We had a lot of younger guys stay as well, and they've developed to the point where they will be guys we can lean on this fall. That shows a great level of dedication, and it's something we appreciate as coaches."

The improved conditioning of the players, coupled with the tireless recruiting efforts of the coaching staff, has yielded quality depth up and down the roster.

"The greatest thing we have going for us coming into this fall is that we've got competition for playing time at every position," Esposito said. "That's something we haven't had since I've been here. The coaching staff and I are big believers that competition breeds success, and we're looking forward to seeing some great battles for playing time."

The players coming out on the winning end of those battles will be charged with leading the Pumas into the wars of the regular season. Though team goals will vary from opponent to opponent, Esposito and his staff have set two standing goals for each week.

"What we would like to have each game is a 90% hustle grade on offense, defense, and special teams, and go into the fourth quarter of each game with a chance to win," he pointed out.

Also figuring among the goals this season, for the first time since 1999, is conference competition, as the Pumas will compete in the revived Great Lakes Football Conference.

"Our No. 1 team goal this year is to win a conference championship," Esposito said. "That's a challenging goal for us, because it's shaping up to be a very competitive league. Tiffin and Missouri-Rolla have excellent teams, especially at the skill positions, and Kentucky Wesleyan and Central State are teams that our staff has never seen before, so we can't count them out, either. More than anything, we're just excited to finally be a part of a conference."

Offense

The Pumas' offensive unit got a vast majority of its production through the air in 2005, setting school records for completed passes (263), passing yards (2,907), and

completion percentage (.638).

The downside to the gawdy passing numbers, however, is that they were necessitated by SJC's struggles in the running game. The Pumas gained just 83.1 yards per game last season, averaging 2.6 yards per carry.

The Pumas will look to greater assert themselves on the ground this season, in an effort to keep defenses honest and dominate the battle for time of possession.

"We will place more emphasis on the run this season," Esposito said. "We're not going to be a power team, but you have to have some ability to run the football to be successful."

"Our goals for the offense, when we got to spring practice, were to establish the run and minimize turnovers. We had way too many turnovers last season. We're really going to focus on the basics and put a fundamentally sound football team on the field."

Much of the focus during the recruiting season was geared toward fortifying the offensive line, which figures to benefit the running game and the offensive attack as a whole.

"The most competitive position on our team, hands down, is on the offensive line," Esposito noted. "There are going to be some shakeups at the tackle positions, as well as on the interior. We have as many as seven guys who are all capable of taking the majority of snaps week in and week out."

Right guard Marcus Wagner and right tackle Addison Bowman were full-time starters for SJC a year ago, while Lee Shaver and Zach Caswell both made starts at center. These veterans, along with senior tackle Matt Stajduhar, will get pressure from freshman newcomers Jared Marr, Mitch Dean, Paul Kasperan, and Steve Foster.

2006 SEASON PREVIEW

"We're going to have a war on the interior between Wagner, Shaver, Marr, and Dean," Esposito said. "Kasperan and Foster will help a lot at the tackle position."

Benefiting greatly from an improved offensive line will be running back Greg Ford, who emerged as a starter mid-season each of the last two years and enters 2006 as the No. 1 ball carrier. Also pushing for time are Garrett Ashbrook, Antoine Wilson, and Rob Turner.

"Greg worked to earn the starting spot two years in a row," the head coach said. "This fall, it's his spot to lose. Ashbrook stayed here this summer and improved a lot. He'll be able to do a lot of good things for us, as well."

Even with the focus on the improvement of the running game, SJC will remain a pass-oriented club, as quarterback Anthony Lindsey returns for his third year as a starter. He set single-season school records for passing yards (2,860), completions (259), and completion percentage (.640) in 2005, along with single-game records for completions (37) and attempts (61). He also earned Preseason All-America honors in 2006, the first Puma to do so in five years.

Lindsey, however, will face challenges for the top spot on the depth chart as well. Senior Matt Pribbeno will push for time after taking all of the snaps for the scout team the past two years, while freshmen Robert Dutton and Marquise Brown will look to establish themselves in their first season on campus.

"Dutton and Brown bring different qualities to the table," Esposito pointed out. "Brown is a big kid with a cannon for an arm. Dutton is leaner, but more athletic. He's someone we could use at another position if the need arises. One thing they do have in common is they both love to compete."

The signal-callers will compete for the right to throw to a stable of receivers which comprise the deepest position on the squad.

Junior Dan Paulsen, already SJC's career leader in touchdown receptions (16), and classmate Austin Capi are returning starters. Also returning with significant experience are Donat  Morgan, Jeremy Kreiger, Luther Spann, and Grant Dean.

The arrival of senior transfer Lonnie Hurst from the University of Illinois has further deepened the receiver pool, and freshmen Jacob Kiger and Jeremiah Tworek also figure to be in the mix.

"We're extremely deep at the receiver position," the coach said. "We've got most of our top guys from last year returning, but we've also got a lot of good new players. The biggest addition was Lonnie Hurst, but Kiger and Tworek are also capable of helping us right away."

As it did much of last season, SJC will start two tight ends. Julius Taylor returns to occupy one of those two slots. Cole Hewitt, meanwhile, used a productive spring practice season and a strong summer of conditioning to enter camp as the other starter.

"Julius really attacked his workouts this summer," Esposito stated. "He's put on 15 pounds of muscle and is extremely fit to start the season. Cole was the most improved player we had in the spring. He's matured a lot on the field and worked extremely hard in the weight room this summer, to the point where he looks completely different. He's taking football a lot more seriously now, and it's going to pay off for him."

Freshmen Terrance Freeman and Edwin Candelario are among the other top candidates for playing time at tight end.

Defense

SJC returns most of the starters from a team that finished 29th in Division II in total defense (305.8 yards allowed per game) and 11th in defensive passing efficiency (96.2). It was the second straight season that the Pumas were among the top 30 defensive teams in the nation, and the veterans among that squad have their sights set on climbing even higher up the ladder this time around.

Two of the three positions on the defensive line will be manned by fourth-year starters, as Durrell Kelley and LaVarr Brown return as the defensive ends. Brown tied a single-game school record with three sacks in the season finale. Newcomers Prentiss Jackson, Michael Cochran, and John Winskas will back up the seniors.

The one question mark on the line is at nose tackle, where the Pumas must replace graduated All-

2006 SEASON PREVIEW

American Kevin Rees. Scott Luesse and Ted Pappert are the leading candidates among the returners, while freshman Sir William McKenzie is also a possibility.

"That may be a position we fill by committee," Esposito surmised. "Luesse was the starter coming out of the spring. He was banged up most of last season, but he's healthy now and will be able to help us out."

The Pumas were slated to have all of their starting linebackers return this season, but were dealt a setback when junior Payne Schoen went down with a knee injury. Schoen is unlikely to play this season, but Rob Perricone does return as the starting middle linebacker and Ethan Tyler returns for his fourth year as a starter on the strong side.

"Losing an experienced player like Payne from the starting lineup hurts us," said Esposito, "but we signed three good linebackers (Daren Wagner, Billy Perry, and Lemon Kelley) who will compete for that job."

SJC's defensive backfield does remain intact, with Cory Sanders and Fred Blanton at the strong safety positions, Corrie Gregory at free safety, and Lance Burns and Honorable Mention Preseason All-American Deqwan Young at cornerback.

"Sanders and Blanton are entering their third straight year as starters, and Cory is a three-year captain," noted Esposito. They've both looked great all summer. Deqwan really worked hard this summer as well, and will come into camp in much better shape than he has in the past."

Senior Jarrett Smith and redshirt freshman Shane Powell head the list of defensive backs looking to crack the lineup.

Special Teams

The kicking chores were passed back and forth between junior Aaron Patten and sophomore Michael Binder last season, and they continue to do the same as the 2006 campaign begins. Kiger, an accomplished kicker at the high school level, could help out if needed.

"Patten and Binder both started at different times last year, and they're neck-and-neck right now," said Esposito. "Patten is probably the No. 1 punter, but neither one has established himself as the No. 1 placekicker yet."

Much of the returning duties will fall once again on Grant Dean, who set an SJC record for punt return yards (319) in 2005. He stands poised to set the school career record in that category this season. Wilson and Morgan also handled kick return duties a year ago, while Young is another option on punt returns.

After seven seasons as an independent, SJC returns to conference affiliation this season as a member of the revived Great Lakes Football Conference.

The conference, which disbanded after the 1999 season, will also include Central State (Oh.), Tiffin, Kentucky Wesleyan, Lincoln (Mo.), and Missouri-Rolla.

The GLFC schools will have All-Conference, Academic All-Conference, and Player of the Week awards in 2006, but will not compete for an official championship until 2007 due to pre-existing game contracts. SJC, Tiffin, and Lincoln had been associated with the Independent Football Alliance the past four seasons, while Missouri-Rolla and Central State were IFA members in 2005.

SJC's 1956 NAIA Co-National Champions

The year 2006 marks the 50-year anniversary of the greatest achievement by an athletic team in Saint Joseph's College history. The 1956 SJC football team earned a share of the NAIA National Championship when it played Montana State College to a scoreless tie in the Aluminum Bowl, which was played at War Memorial Stadium in Hot Springs, Arkansas, on December 22 of that year. The game was televised nationally on CBS.

The Pumas finished the season with a record of 8-1-1, and led the nation in team defense, allowing only 109 yards per game. The team set numerous school single-season records, including still-standing marks for touchdowns (54), points per game (35.2), and points allowed per game (3.6).

The 1956 team remains the only national champion ever at SJC and became the first and only team enshrined in the SJC Sports Hall of Fame on October 4, 1996. Eight players from that team, as well as head coach Robert Jauron, have also been elected to the Sports Hall of Fame as individuals.
